Practical solutions to digital evidence for public defenders

By the defense for the defense

eLab Forensics LLC is staffed by cross trained - board certified criminal defense investigators. Our combined resources allow us to provide the widest range of expert services.

- **Rapid response**
- **Expert testimony**
- **Parity with law enforcement**
- **Approved vendor state & federal courts**

We maintain the highest ethical and professional standards. Utilizing ISO compliant laboratory quality system standards, backed by detailed reports and expert testimony, we provide reliable, cost-effective services. We are dedicated to providing equal access to independent experts to the people who rely on court appointed counsel.
